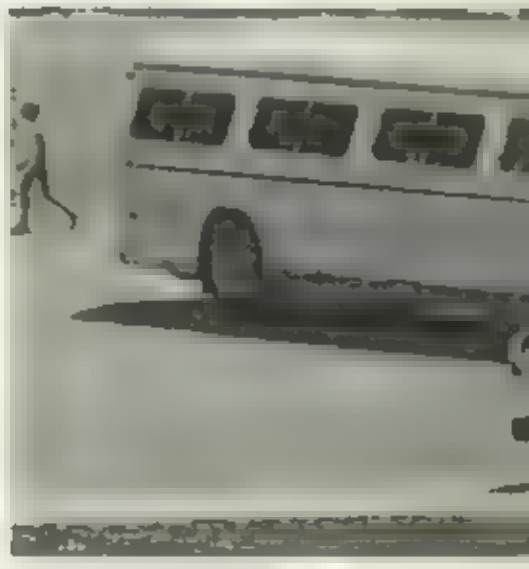
HOMECOMIN



DEDICATION

Mr. Twain Morrow

Under the guiding hand of Mr. Twain Morrow, Western Hills principal, our school has grown both in size and scope to new dimensions in high school education. Mr. Morrow's dedicated and hardworking nature combined with responsible leadership and a sincere affection for youth has brought him the respect of students as well as fellow faculty members. It is with pride that the 1970 *Catamount* staff dedicates its second volume to him.

NEW HIGH SCHOOL CONCEPT INITIATED AT WESTERN HILLS

of Schools

Mrs. Ales, vice principal, takes time out from her busy schedule to check records with Kathy Bowl (r.), Mary Smith and Nancy Nates.

With the beginning of the 1970 school year came a new educational concept at Western Hills. Ninth grade students became a part of the four year high school rather than the junior high. A free study period was initiated and quickly became a popular success Each student was free to use his study hall period in one of four ways: visiting another class with teacher permission, studying in the library or cafeteria, or passing the time in a recreational area

Under the direction of Mr Twain Morrow, principal, Western Hills also expanded its curriculum to suit the needs and interests of the student body. New courses included commercial law, vocational office education, power mechanics, distributive education and expanded courses in basic subject fields

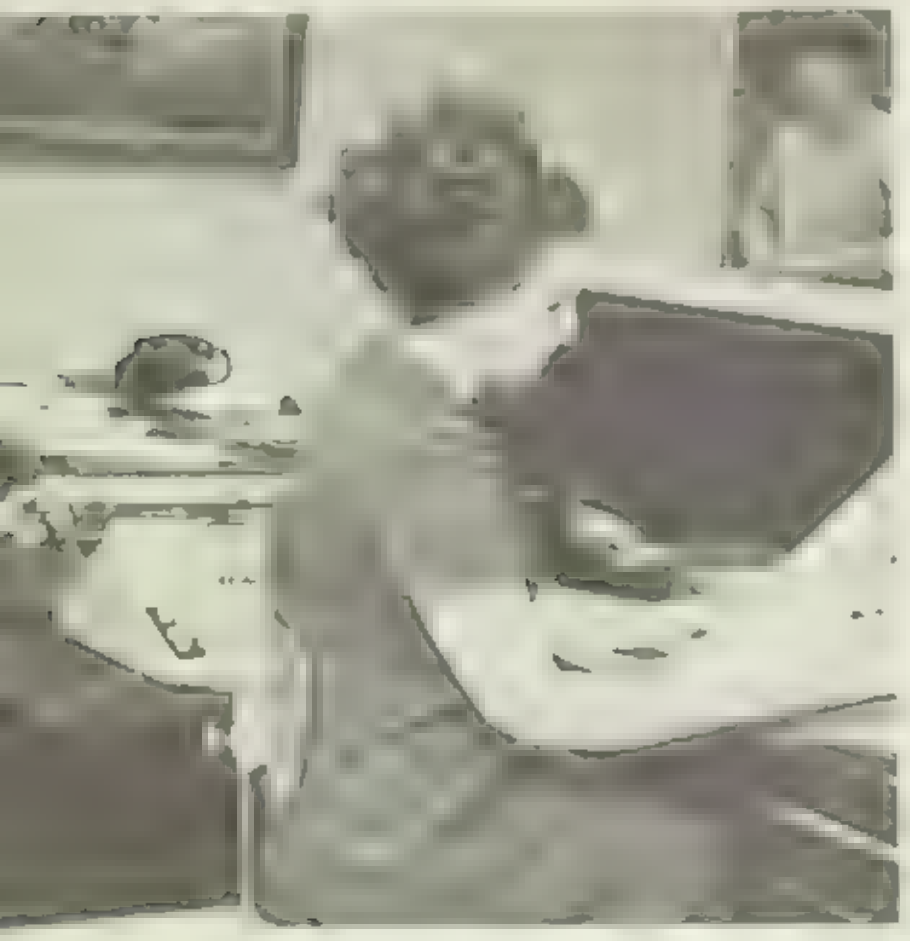
OFFICE AIDS SCHOOL EFFICIENCY

In addition to the general faculty of Western Hills, there was a small group of dedicated people whose job was not to teach or counsel, but to direct and keep track of all the activities at Hills. Mrs. Hazel Craig, Mrs. Tommie Dodrill, Mrs. Billy Prince, Mrs. Bessie Thomas, and Mrs. Gladys Wallace, working together efficiently, were responsible for implementing administration plans and keeping every-day routine activities working smoothly.

Above: In the attendance office, Mrs. Gladys Wallace, aided by assistants Pam Farnsworth and Marilyn Baker, grants a student a dismissal. *Right:* Mrs. Hazel Craig pauses for a moment from her busy schedule as Data Processing Coordinator.

COUNSELORS IMPORTANT IN PROMOTION OF EDUCATION



At all times during the school day, the counseling office was available to all students needing counseling advice Mrs. Ann Bradley, senior advisor, aided many seniors in selecting their colleges, taking entrance exams, and finding schedules to fit the personal needs of each individual student. Merlin Brockett, assistant counselor, along with Mr. Bill Whitworth, and Mrs. Norma Headrick, who were part time counselors, enjoyed helping pupils with personal problems and setting up specific programs for their high school years

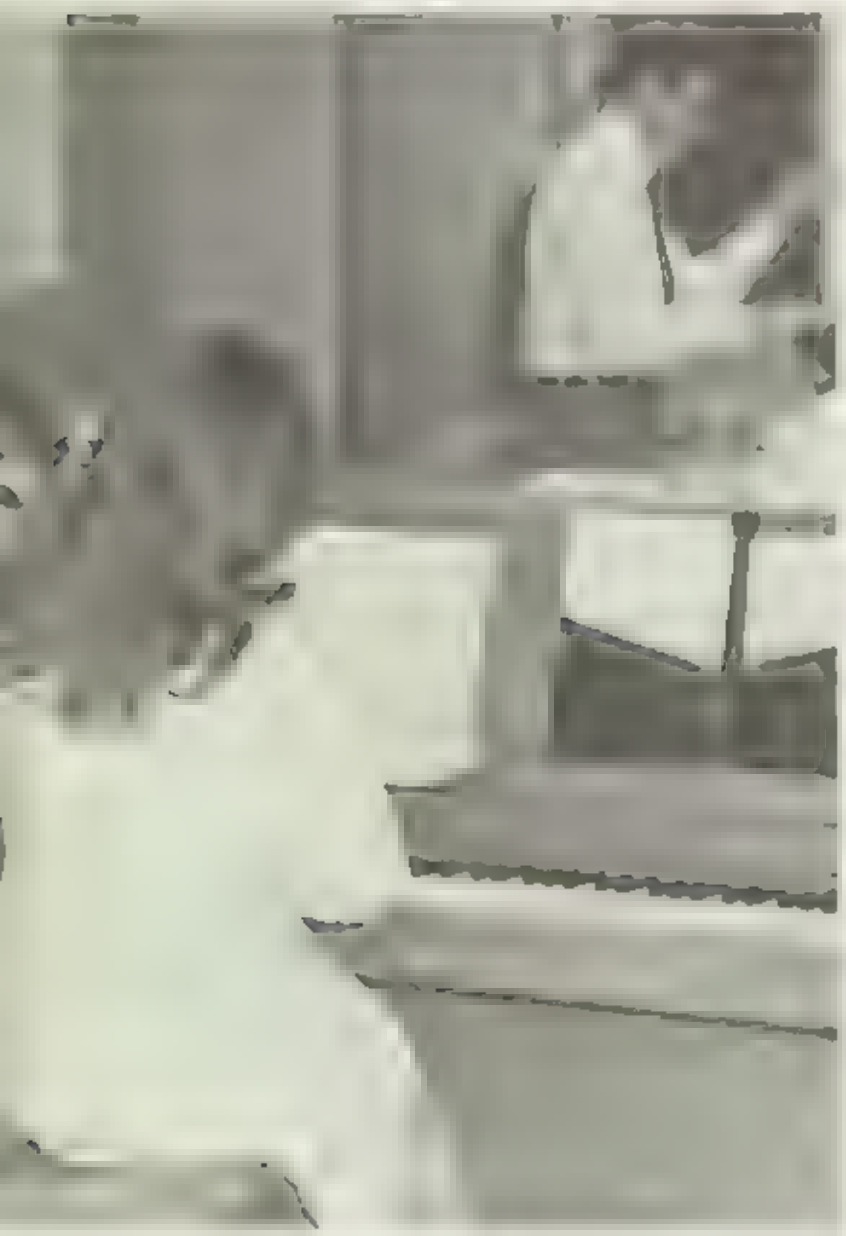
LIBRARY PART OF NEW STUDY HALL CONCEPT

The library provided both a resource of knowledge and a favorite spot for those students in independent study hall during the year. Films, filmstrips, and recordings were available in addition to a continually expanding number of books magazines, and newspapers. Under the direction of Librarian Mrs. Peggy Herring, the library proved to be popular as a place for learning, study, relaxation, and challenge.

HORAL AND INSTRUMENTAL MUSIC POPULAR AT HILLS



Providing a top asset to Western Hills was the music department, under the direction of Mr Jerry Jones. Students could select among five musical areas according to their interests. The Marching Band proved to be the highlight of football half-times and after state competitions, changed to a pagentry style of play and march. Choral music allowed those who sang to learn that art, and the group presented a Christmas program as well as a spring production, *Bye Bye Birdie*. Orchestra, stage band, and musical theory could also be taken by the musically inclined.

STUDENTS OPTIMISTIC OF MAN'S FUTURE

While Western Hills students contemplated the advance of man from prehistoric time to the present in World and American History classes, another progressional leap was added to history. On July 20, 1969 the first man stepped on the barren surface of the moon. This event also marked man's hopeful advance from the time worn 60's into a new decade, the 70's.

With the study and discussion of all man's accomplishments, goals, and mistakes, students were optimistic and encouraged about his future in the coming decade.

Starting the year with a bang; Mrs Wray's second year Latin Students initiated newcomers with a slave auction and uproarous slave week which ended with a play, Pandora's Box, performed by the pupils.

A French club was started by Mrs Absher, and its members enjoyed dinner at Fort Worth's finest French restaurant, Le Bistro.

Spanish and German students, under the direction of Mrs. Carolyn Christopher, Miss Frances Smith, and Mrs. Janet Frost, enjoyed instruction in the basics and advanced classes by lab and conversational techniques, as well as by language text

STUDENTS LEARN BASIC MATH CONCEPTS

Wide variety in the mathematics curriculum at Western Hills enabled each student to receive a basic understanding of mathematical concepts for everyday living, higher education, or careers in math. During the 1969-70 school year, many different courses were offered. related math, algebra, geometry, trigonometry, and elementary analysis. SCIENCE CLASSES EXPAND IN SCOPE

As Western Hills grew, so did its science department, and Advanced Biology was among the new courses offered. Also new to the school were the Health and General Sciences classes. Health taught the care of the body, and in General Science students learned something of geology, topology, and the solar system. Biology classes studied plant and animal evolution and development with emphasis on dissection and microscopic observation. Advanced science students took Chemistry with its study of elements, their reactions and combination with each other, and Physics which is the science of the laws of motion and effect

BUSINESS AND D.E. STUDENTS LEARN SKILLS FOR COMMERCIAL FIELDS

Typing, shorthand, bookkeeping, and Vocational Office Education headed the list for Business Education this year, and a new subject, Business Law, was introduced during the second semester. These courses were excellent preparatory classes for the business as well as the college world. The Distributive Education classes attended class half a day and the other half at one of the various cooperating businesses. There the students acquainted themselves with business procedures, salesmanship, and knowledge necessary in their chosen fields of business.

STUDENTS EXPLORE CREATIVE WORLD OF ART

Despite a shortage of materials and tools, Western Hills art students explored many areas of the art world. Experiences in creative painting and drawing as well as in three dimensional fields such as clay and paper structure were directed by art teacher, Mr. Ed Curry. Several art displays were arranged for student and teacher enjoyment, and in April, many budding artists entered the Annual High School Art Competition at the Fort Worth National Bank.

FUN COMBINED WITH PHYSICAL FITNESS PROGRAM

Teamwork, individual improvement and new skills combined to make Physical Education fun as well as beneficial this year. During the fall the boys played football and soccer. There was also much participation in wrestling and in a physical fitness program. The spring semester included softball, weight lifting and individual sports

Rhythmic gymnastics or exercises to music, soccer, and volleyball headed the fall activities for girl's P.E. Spring brought the good old standbys, softball, field hockey, archery, track, tennis, horse shoes, croquet and a touch of golf. The department also sponsored intramural volleyball and basketball

HOME ECONOMICS AND INDUSTRIAL ARTS COURSES OFFER VOCATIONAL SKILLS

Useful classes in home study were offered to girls this year at Western Hills. Students learned food and home planning, sewing, and the budgeting of household accounts. Homemaking and Home and Family Living were essential studies to all who planned future homes as well as those who majored in related courses.

A new development in the Industrial Arts department was the addition of a class in Power Mechanics. The course offered boys an opportunity to recognize trouble in various kinds of machinery. The curriculum also offered instruction in practical and useful fields such as wood and metal shop, and both mechanical and architectural drafting

SIMULATOR NEW ADDITION IN DRIVER'S EDUCATION

During the past year, many students received instruction in driver's education. The usual classroom and behind-the wheel sections were aided by a simulator, new to the program this year. Driver's education was essential in producing better and safer drivers, as well as driver's licenses for teenagers.

HARD WORKING STAFF PROVIDES SCHOOL SERVICES

Behind the scenes of Western Hills, there are many people who receive no recognition, however, their job well done deserves merit These people, the maids, custodians, and the cafeteria staff, contributed a great deal to the success of the 69-70 school year They were a hardworking, friendly group, enjoyed and appreciated by all

NEW STUDENT COUNCIL REPRESENT WHHS WITH CAPABLE LEADERS

The first WHHS Student Council served the school with capable leadership. Headed by President Carlton Hall, the council purchased a magnetic glass-covered bulletin board for the cafeteria. To support the funds needed to purchase the bulletin board, the Student Council sponsored a folk music talent presentation. They also sponsored a tutoring service for students and represented our school on the City-Wide Council. The council helped with Clean-up Week which was organized to install neater habits in the student body

JOURNALISM STAFF SELECTS THE NAME MOUNTAIN LINE

On the 30th of October an assembly introduced the school's new Journalism Staff which in turn presented WHHS with its first school paper, the *Mountain Line*. Under the sponsorship of Mrs. Cynthia Rider, the *Mountain Line* filled a journalistic void with a humorous, informative, and entertaining news paper. Staff members received experience and training in reporting, layout, interview techniques, photography and sales advertising. Several special issues of the paper, including a 12 page Christmas issue, were published during the year

LIBRARY CLUB HELPS IN ENLARGING FACILITIES

The Library Club, going into its second year, actively helped in shaping our library into a functional, yet easy to use source of reference for the students of Western Hills. Members were students who volunteered their help at free study periods. The group with Mrs. Peggie Herring as sponsor held meetings after school. Their main project this year was to better equip the school library, and make it easier and more convenient to use.

In addition, the Latin Club held their annual banquet which was a large success, and a Valentine "post office" for an activity

GERMAN CLUB

With the election of officers early in the fall, the WHHS German Club met periodically through the year with programs which explored the German scene and tradition. Slides were shown, talks and discussions on folkways and Carnival time were heard, and German myths and fairytales were compared with their American versions. In the spring the club, under Mrs. Frost's direction, planned a dinner party at a local German restaurant

D.E.C.A. ENCOURAGES APPRECIATION FOR MERCHANDISING

Students taking D.E., one of the newer campus clubs at Western Hills, extended their interests in business and business careers by organizing the WHHS Chapter of Distributive Education Clubs of America.

Tom Park sponsored the group which participated in both area and state conventions and planned several field trips in the spring.

FUTURE TEACHERS ACTIVE IN WORKSHOPS AND CONVENTION

Acquainting members with various aspects of teaching was the goal of the WHHS Chapter of the Future Teachers of America. With Mrs. Frances Coon as sponsor and Sarah Simoneau as club president, the first year of F.T.A. was a most productive one. In the fall the club made and sold calenders for its money-making project. They were sponsors and hosts at a District Workshop entitled "They Also Learn", and in February they participated in the State Convention held in Ft. Worth

NEW CLUB FURTHERS INTEREST IN OFFICE CAREERS

Furthering interests in office careers was the goal of new WHHS club, the Office Education Association. Under the leadership of Mrs. Mildred Gustafson the club took field trips to the telephone company, General Dynamics, the First National Bank, and various Ridglea businesses. Other activities consisted of a survey of employment agency advertisements, the area O.E.A. contests which were entered by five girls, and participation in the state convention which met in Fort Worth this year.

EXPERIMENTS AND FIELD TRIPS FEATURED IN SCIENCE CLUB

In its second year of organization the WHHS Science Club brought together those students whose main interest was in all phases of science. Under the sponsorship of Mrs. Mary Shimp, the members conducted many individual experiments in biology, chemistry, and electronics which helped further their knowledge of scientific method and fact. Several field trips highlighted the year's activities Among them were a trip to Bell Telephone Company and a geology expedition on an Aledo Ranch.

HEALTH CAREERS CLUB ORGANIZED IN '69-'70

An interest in medicine, nursing, and its associated fields was the prerequisite for joining the Health Careers Club. In the fall the group was conducted through John Peter Smith hospital as one of its activities, and other excursions were planned for the spring semester. Helping others was the keynote of club programs which revolved around medical careers and information. Mrs. Norma Atwood, WHHS nurse, sponsored the group.

SPIRIT CLUB CHEERS FOOTBALL TEAM ONTO BI-DISTRICT

The Western Hills Spirit Club, in its first year moved into operation shortly after its conception. Selecting the uniform with a green pantskirt, gold vest, and white blouse, the club's various committees painted signs for the auditorium and fieldhouse and hung them before school on pep rally days. At games they also formed victory lines through which the team ran onto the field. With Mrs. Elizabeth Tidwell, Caroline Christopher, and Leah Martin as sponsors, Spirit Club had a very rewarding year.

CATAMOUNT STAFF LABORS TO MEET DEADLINE

As the *Catamount* moved into its second year of publication, the staff, under the sponsorship of Mr. Ed Curry, met the challenge with little fear and a lot of work. Chief editors Debbie Vineberg and Debra Baker guided other staff members with thoughtful suggestions and turned out their own theme sections as well. The book was planned early in September to be different and unique yet appealing to each student. Layouts were drawn, photographs made and copy written—all which had to be finished by certain deadlines. Annual subscriptions were taken in October and distribution date was set for May, 1970.

COUGARS WIN CITY CHAMPIONSHIP

No story was quite as unbelievable in the world of high school sports as the rags to riches tale of the '69 Western Hills Cougars. Head Coach Dale Walker assisted by Coaches Hugh Massey, Ronnie McLain, and Weldon Moody welded together a potent team that proved to be unstoppable in its second season of play. Despite predictions of losses time after time, the Cougars started strong and ended with a 10 win, 2 loss season and the city championship. The Bi-district crown was cinched with a win of 28 to 7 over O.D. Wyatt. In regional play the Cougars lost to Dallas Woodrow Wilson

COUGARS DOMINATE ALL-CITY TEAMS

Western Hills was honored with places on the All-district teams of both the Star-Telegram and Press this year. Mr. Walker was named Coach of the Year and both all-state players, Eddie Borden and Mike Luttrell were given special honors as Lineman of the Year and Player of the Year respectively. Named to both All district teams were Carlton Hall, Doug [illegible] Makt, Terry Drennan, Mike Luttrell, and Marty Stinnett. On the Star-Telegram list was Duff Maddox, Coke Smith and Eddie Borden, and the Press also listed Donald Snow.

B TEAMERS GAIN EXPERIENCE FOR '70 SEASON

Starting with a nucleus from Monnig Junior High, the B team football coaches, Buddy Davis and Danny Lee built their '69 team. The young Cougars quarterbacked by Roger Duncan and Mike Dunsworth, played a ten game season with three wins, two ties, and five losses. Despite an inexperience in offense the team played good defensive ball all year. The boys gained valuable experience and looked forward to being on the varsity squad next year

FIRST FRESHMAN FOOTBALL TEAM ORGANIZED

Forty-four boys turned out for the first Cougar Freshman team, directed this year by Coaches Bill Carter and Richard Allie. The boys worked and played hard and ended their season with a respectable four win, three loss, one tie record. While the lack of speed kept the young team from doing better, several members showed enough promise to aspire to next year's varsity team.

Basketball practice began for Coach Moody and his team before football ended in early December The boys worked and practiced hard to become a good competitive team, but despite their efforts the season proved to be a disappointing one The Cougars entered the SBOA tournament, and the Optimist and Lions Club tournaments before district play began with Southwest on January 13th. B CAGERS AIM FOR 1971 SEASON

Coached by Buddy Davis the B basketball team did a better job than last year's team. The all-sophomore cagers did not win their district but proved to be real competition with a fast and enthusiastic play. Pre-season games included the Huckabay Tournament and games with Carter, Poly and Wyatt. In district play the team defeated both Northside and Paschal and lost to Heights by only three points to place third. David Gentz, a top scorer, was moved to the Varsity team during the year thus lowering the team's potential scoring power. With the experience received the boys looked forward to the 1971 season with optimism.

FRESHMEN FINISH SECOND IN DISTRICT

Starting the season with high hopes, the freshman basketball team finished second in their district with a record of five wins and three losses. Coached by Dick Allie, the young cagers finished their total season with 18 wins and seven losses. They also entered the Park and Recreation and SBQA Invitational Tournament and the Western Hills Freshman Tournament in which they placed second and third, respectively. Hopefully, the boys will continue to improve and be the nucleus of a future Western Hills championship team.

OUT OF TOWN TOURNAMENTS HIGHLIGHT GIRLS' TENNIS

Practicing at McLeland Tennis Center several days of the week throughout the year prepared tennis enthusiasts for upcoming competition. Consisting of eight girls the team competed in District play which began April 12th with February starting intensive practice and play. Out of town tournament trips were made to Dallas, Garland, Commerce, and Brownwood. W H H S. was well represented in the High School Interscholastic League.

BOYS ENTER WEATHERFORD AND ABILENE TENNIS TOURNAMENTS

Western Hills boys tennis began the year under the coaching of Mr. Merlin Brockett. After midterm Mr. Richard Allie assumed coaching duties for the small group of tennis enthusiasts. The boys practiced at McLeland Tennis Center and participated in the Weatherford Recreational Tournament and the Abilene Easter Tournament. WHHS was represented in matches against Arlington Heights, Southwest, and Carter-Riverside District competition began in April.

SPECIAL EMPHASIS PUT ON GYMNASTICS

In the Physical Education classes the girls participated in a variety of interesting sports. Girls' intramural sports (competition within the school) were badminton, volleyball, track, softball, golf, archery, field hockey, basketball, and special emphasis was put on gymnastics. Two girls from W.H.S. placed in advanced gymnastics competition. SWIM TEAM WINS SEVERAL FIRST PLACES

Splashing into the new year was the first WHHS swimming team. Coached by Mr. Barney Cole the boys swam against Jesuit High School in Dallas, while the girls participated in the Trinity High School Tournament. During district competition, our team won several 1st and 2nd places over their adversaries. Four members were entered in the UTA bidistrict meet, hopeful of going to Austin. Panther Boys Club and General Dynamics Recreational Center supplied practice spots.

GOLFERS PRACTICE SKILLS

Practicing twice weekly at the Municipal, Z. Boaz, Benbrook, Rockwood, and Meadowbrook Courses, the Cougar golf team progressed quickly to become a competent team They were active in tournaments at the Recreation Center at Abilene and Brownwood. April 7 and 9 marked the beginning of District competition with the boys playing Eastern Hills, Southwest, Heights, and Paschal

COUGARS FIELD POWERFUL 1970 TEAM

Plagued by rain and cold, the Cougar baseball team got off to a slow start this year. Coach Ronnie McLain planned game strategy with most of his team having had experience in last year's competition. After a series of non-district games, the district schedule began on March 31 against Northside. Following a good '69 season, the outlook for this year was excellent, with the Cougars potentially one of the best teams in the city.

FIRST INVITATIONAL MEET A SUCCESS

With their track oval finished, Western Hills cinder-men were able to begin practice early in the winter under the direction of coach Bill Carter. Their first important victory was brought in by Sam Shipley who placed second in the pole vault in the Coaches Indoor Meet in February. On March 7th Western Hills sponsored its first invitational meet with eight high school teams participating. The Cougars dominated the meet with seven first places, four second places, and five third places, and scored in every event except the mile run. High scorer was Sam Shipley with 28 points. Other meets in which the tracksters planned to enter were the Possum Kingdom Meet at Graham, the Red Dog Relays at Ranger, the Cowtown Relays, Blue Raider Relays at Hurst and the District Meet on April 18.

FINALISTS EXEMPLIFY WHHS IDEALS

Walt Connell, Mary Jane Eastman, Sherry Scott, and Chuck McQueary were favorite finalists. Walt, president of the Senior Class was also candidate for Student Body President last year as was Chuck. Mary Jane, a Cheerleader her Junior and Senior years was also chosen. Sherry, an enthusiastic Senior, was a friendly, smiling student popular with all

DEBBIE, HARVEY CAPTURE FAVORITE TITLES

Elected early in the spring semester, Debbie Vineberg and Harvey Neuman, 1970 Senior Class favorites, were presented at the Valentine's Dance on February 14

A CATAMOUNT staff member for two years, Debbie co-edited the annual her senior year. She was also a secretary of the senior class, 1970 Mardi Gras princess, and she served as a senior class chairman of the Spirit Club

A smile always on his face, Harvey Neuman was well known by the students of Western Hills. Harvey played basketball his junior year and was a member of a local group, the Sound Doctrine of Society

JILL AND PHIL ARE SPIRITED JUNIORS

Qualifications for class favorite include no grade below C and an E average citizenship. A princess to the Queen's Court of Western Hills first Homecoming was one of Jill Becker's many honors. A Junior Cheerleader, Jill also served on the Student Council. A cheerleader his Junior year, Phil Walker also celebrated his seventeenth birthday at the Valentine Dance with a cake presentation.

PATTY, MIKE RECEIVE CLASS RECOGNITION

Lead player of a local band, the Brick Window, Mike Dospapas was chosen favorite of the Sophomore class Student Council member, Patty Shannon, was also a Spirit Club Chairman. One of the friendliest people in Western Hills, Patty deserved the honor of her class favorite

NANCY AND BRAD VOTED TO HIGHEST FRESHMAN POSITION

Nancy Zwayer, a Freshman cheerleader, and Brad Thornton were elected to the highest honor attainable by a Freshman—class favorite. Nancy was elected cheerleader early in the fall semester; she led the cheers for all ninth grade games besides raising spirit for the varsity games. Brad is athletically inclined also and has played football and run track.

CHEERLEADERS IGNITE SCHOOL SPIRIT

The outstanding spirit and enthusiasm of the 1969 [illegible] cheerleaders roused support for the WHHS athletic teams. Elected in the spring of '69, varsity cheerleaders Jill Becker, Keith Kinney, Mary Jane Eastman, Phil Walker, Cassel Dann, Kitty Carson, Pam Larkin and Nancy Thomas attended the summer SMU cheerleading school. In the fall of '69, Sophomore cheerleaders, Jean Allie, Lynn Johnson, Shelley Wood, and Lynn Harper, and Freshman cheerleaders, Sheri New, Danna Reed, Nancy Zwayer, and Vicki Pruitt, were elected and successfully aroused spirit at the ninth-grade and B team games.

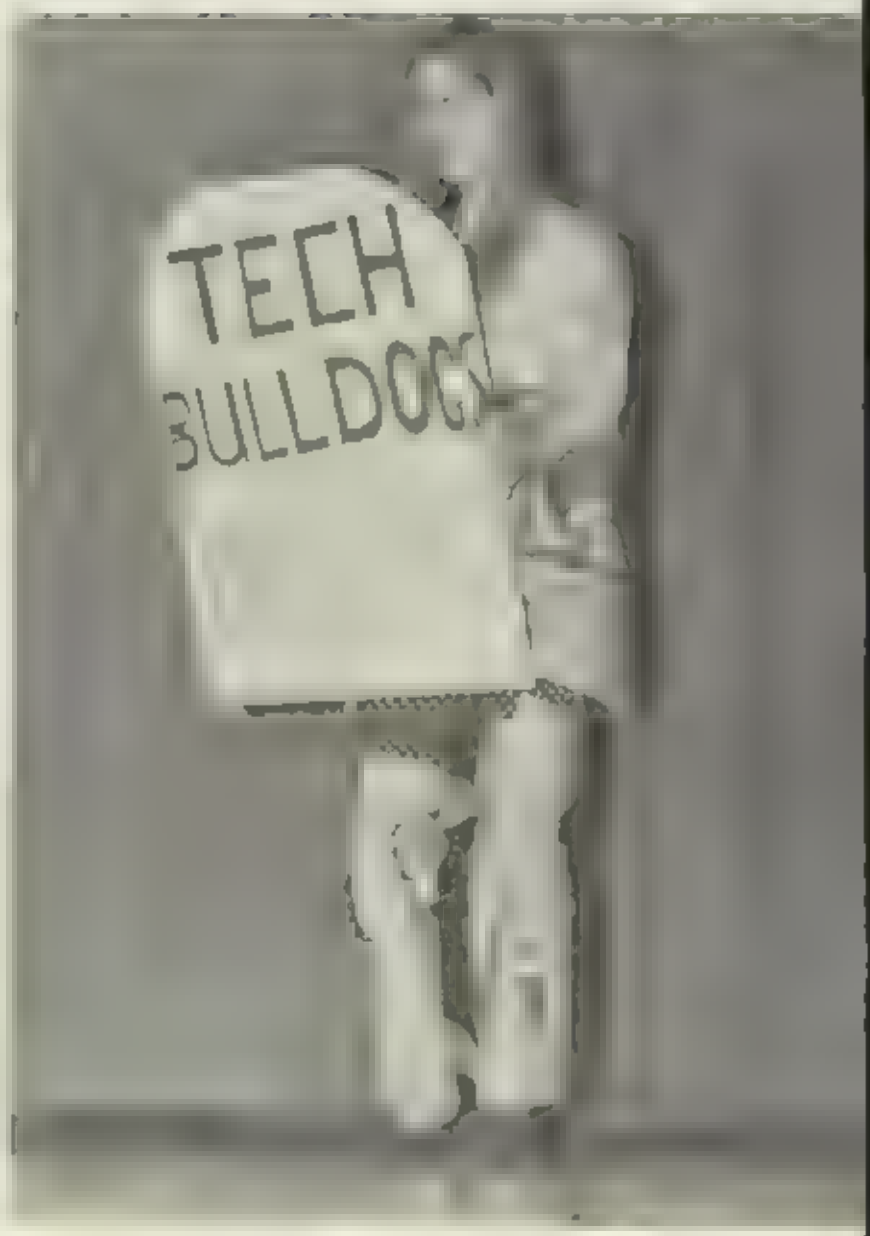
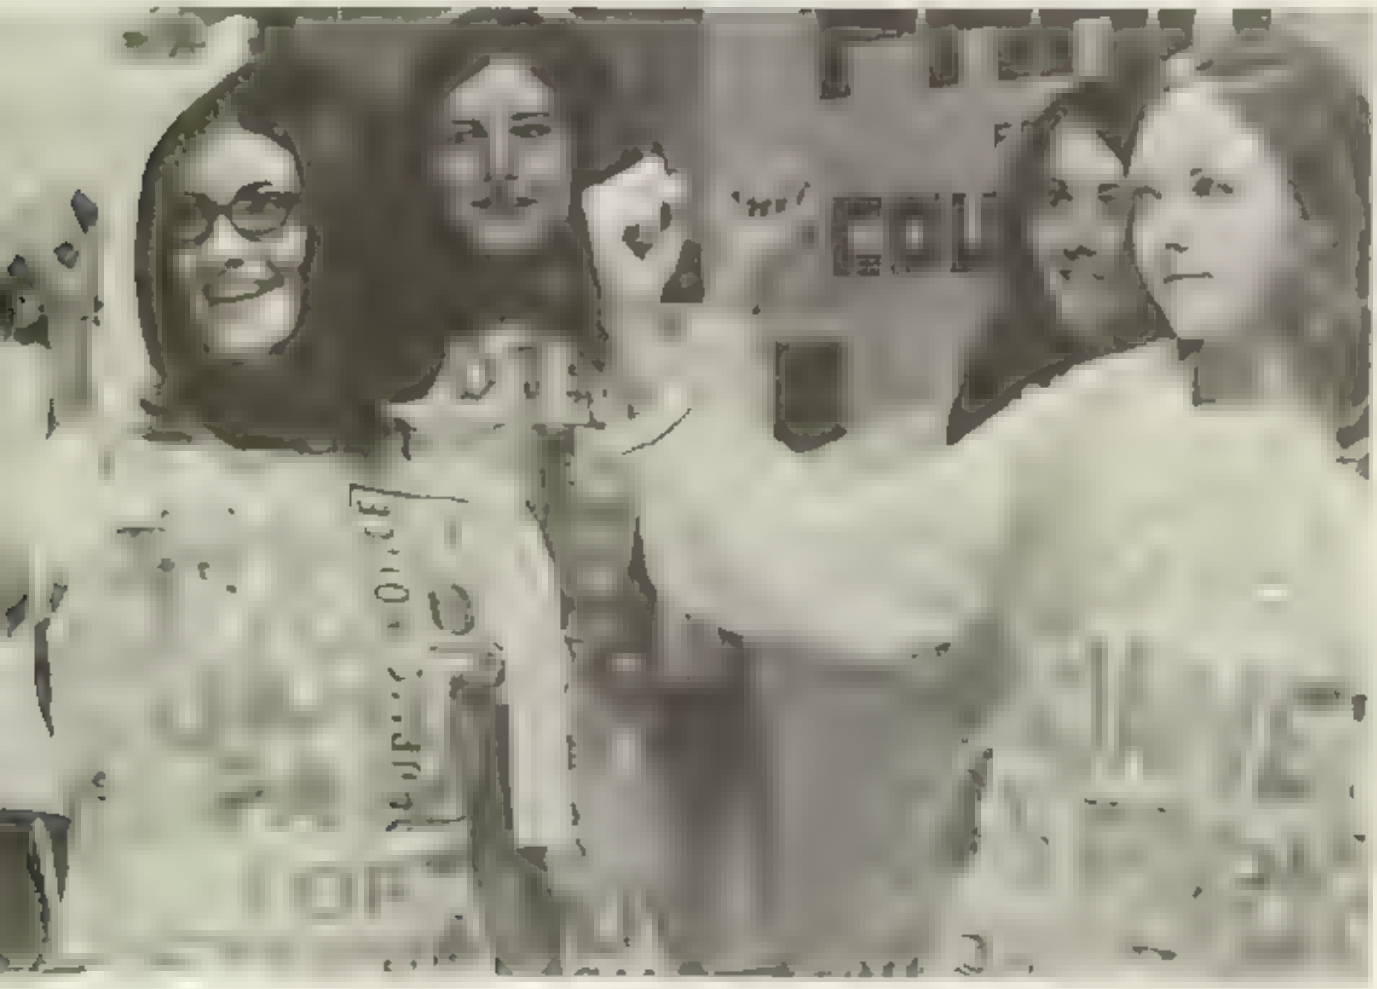
SPIRIT, BOOKS, AND BUSINESS PART OF WHHS

A flurry of activities initiated the '69-'70 school year as nearly a thousand new students, including freshmen, filled the halls of Western Hills. Books were issued, classes scheduled and rescheduled. Student Council business was begun, and clubs were organized while school spirit gained momentum.



TECH
BULLDOGS

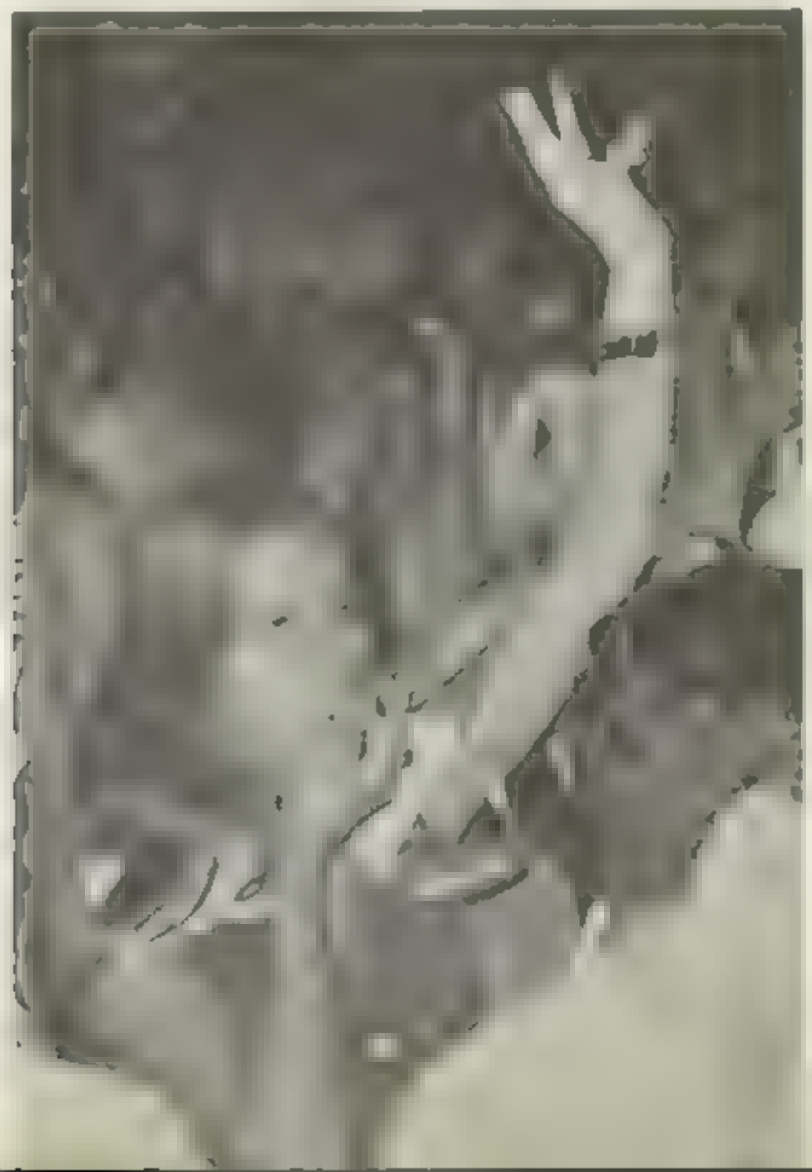
ABOUNDS IN SECOND YEAR

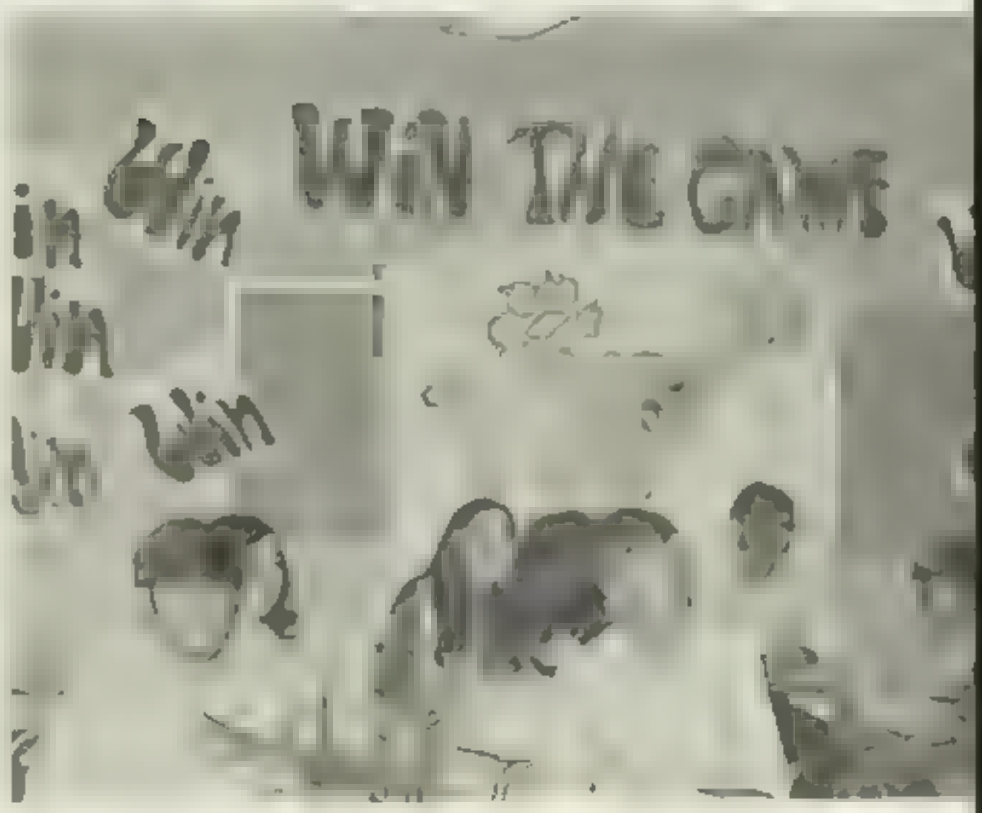


Without a school newspaper in their first year, the first *Mountain Line* was presented to Mr Morrow and students in a special assembly. Other fall activities were Student Council elections, complete with posters and speeches which were held to select the freshman and sophomore class representatives; and an inspirational speech by Congressman Jim Wright who presented Western Hills with a U S. flag which had flown over the Capitol in Washington

GO COUGARS!

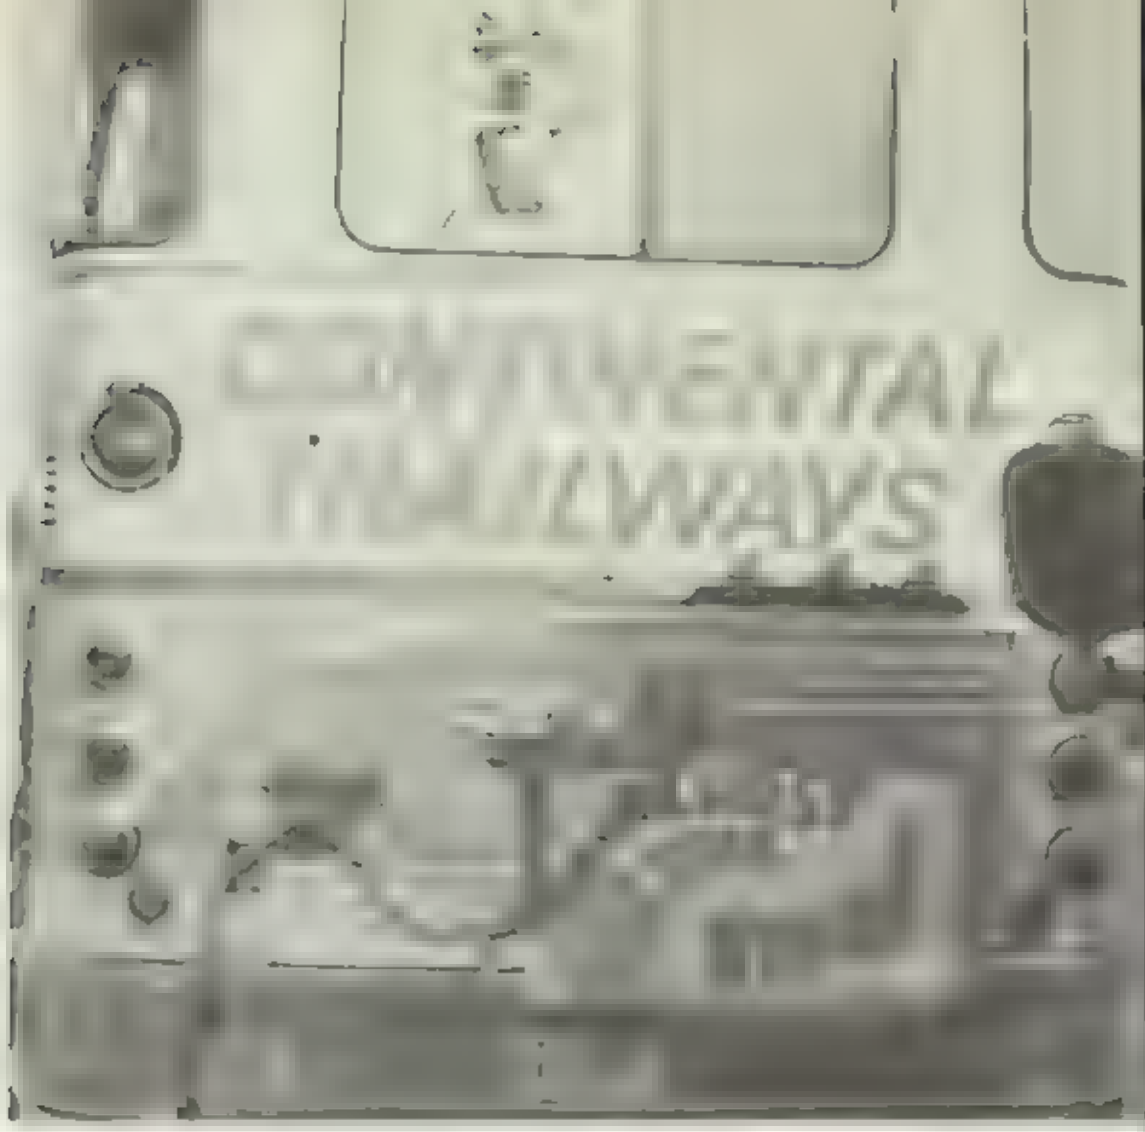
Action was a key word as the Cougars roared into their second sea son Kicked off with a Western Welcome Dance held in the local "saloon," the following weeks were filled with poster making, pep rallies, and a high sense of excitement and anticipation as Western Hills took the lead in city football rankings





WIN THE GAME

WE'VE GOT SPIRIT!



CONTINENTAL
TRAILWAYS

COUGARS TAKE TO THE ROAD

Cougars were on the prowl in 1969 as they traveled to Graham, Texas for their only out-of-town football game. Buses chartered by the band and by students turned out to be fun in spite of their getting lost and having engine trouble Victory over the Steers made the trip home a joyous one. Songs, cheers and eventual laryngitis were the order of the evening

KISSIE THE

FIRST HOMECOMING MEMORABLE FOR ALL

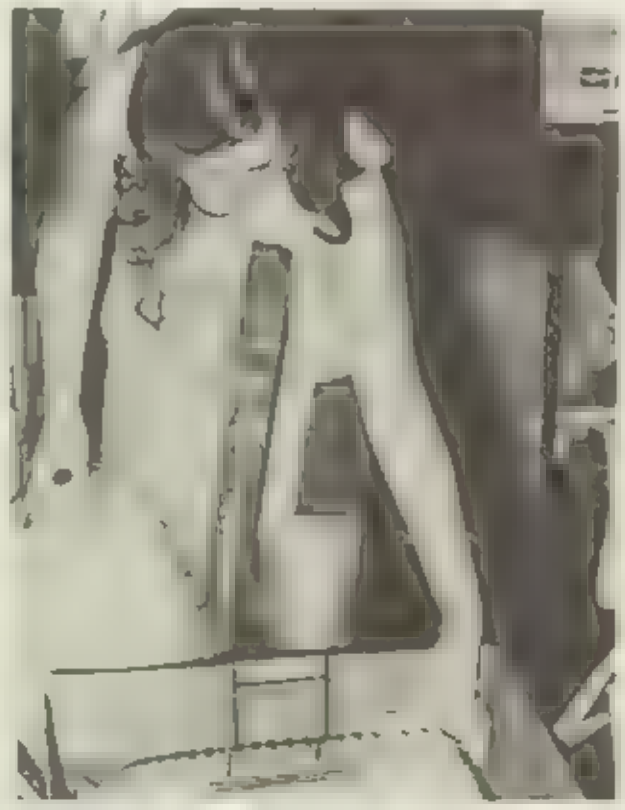
Homecoming is always exciting, especially when it's the first one. This was the case for Western Hills students who welcomed back graduates from the class of '69. Lockers, homerooms, and halls were decorated for a contest sponsored by the Student Council. Mary Jane Eastman was selected Homecoming Queen by the football team, and each of the four classes elected a princess from nominations made by the team The queen and her court were presented both at the pep rally and at halftime at the game

Members of the Western Hills Athletic Association and about 150 Spirit Club members made a victory line as the Cougars ran onto the field to beat Northside. Preparations for a dance the following night also were underway in the cafeteria after school It was a memorable first homecoming

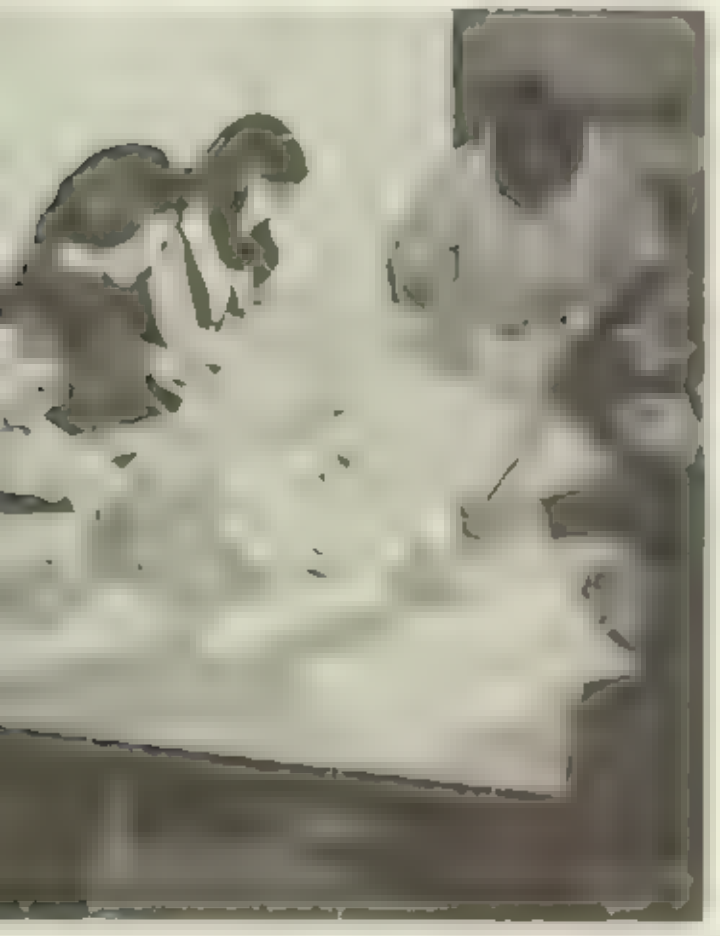
CROWD PLUS ONE PLEASES HOMECOMERS

Western Hill's first homecoming dance was a very successful one with music by the Crowd Plus One Band. Decorations urged Cougars to "walk over district" while the entry hall was filled with baby pictures of the football players. Although only a few cars returned for the dance, everyone enjoyed the evening, even to helping Harvey Newman celebrate his birthday which was that night.

ORIGINAL ALMA MATER CHOSEN BY STUDENT BODY



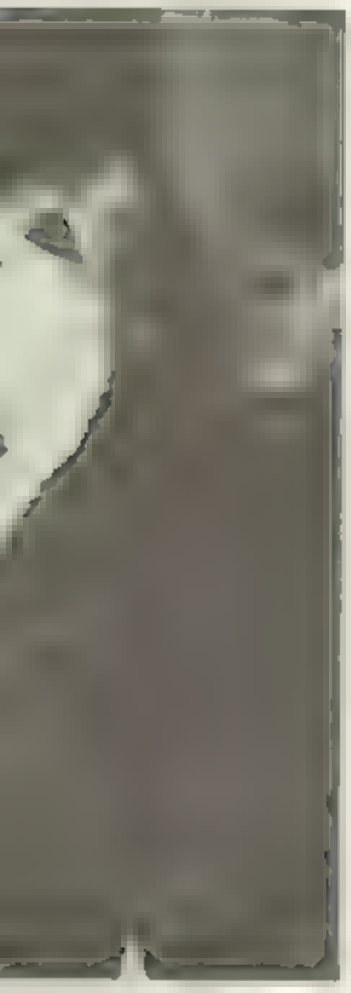
Varied activities filled the days during the fall. The *Catamount* staff made posters to boost subscription sales and class pictures were taken for the annual Students were asked to submit ideas for an Alma Mater for Western Hills These were narrowed down to three choices and then played for the student body in a special assembly. The song selected was an original composition written by Rick Eubanks from the '69 class. At the final football pep rally a "good luck" cake was given to the



team by a group of senior girls and everyone heard the new Alma Mater for the first time We were also fortunate to have the Sheppard Air Force Band give an exciting pop concert to the student body

In a colorful display of spirit, Western Hills released 1500 green and gold helium filled balloons over Farrington Field as the Cougars faced Dallas Wilson in regional football playoffs

ARE UP, UP AND AWAY



The newly formed Latin Club held initiations and Slave Days
Student directories were sold by the Student Council as a
money-making and student service project. An ex-convict spoke to the
student body about crime and how it destroyed his life
Play rehearsals were begun by the drama club in preparation
for their spring presentation of the one act play,
Sorry, Wrong Number

WITH A HO, HO, HO

Everyone joined together in wishing Western H lls a merry "first" Christmas Costumed storytellers went from class to class. "You're a Good Man Charlie Brown was the drama class Christmas presentation. The chorus performed and Patty Skeryanc entertained the students with a modern ballet. Amid the ringing of bells, Santa Claus, (alias Eddie Borden) arrived in time to hear Mr. Ruggueri's Christmas list and to wish a Merry Christmas and Happy New Year to all

Yee haw! Western Day at Western Hills! [illegible]es were everywhere and some teachers even held class at gunpoint on Ranch Day. A folk jamboree was enthusiastically received. Several original numbers were sung and the Nevada Hicks did a comedy routine.

HILLS GOES GOAT-ROPER

The basketball team started its season with a pep rally at which Coach Moody introduced to the team

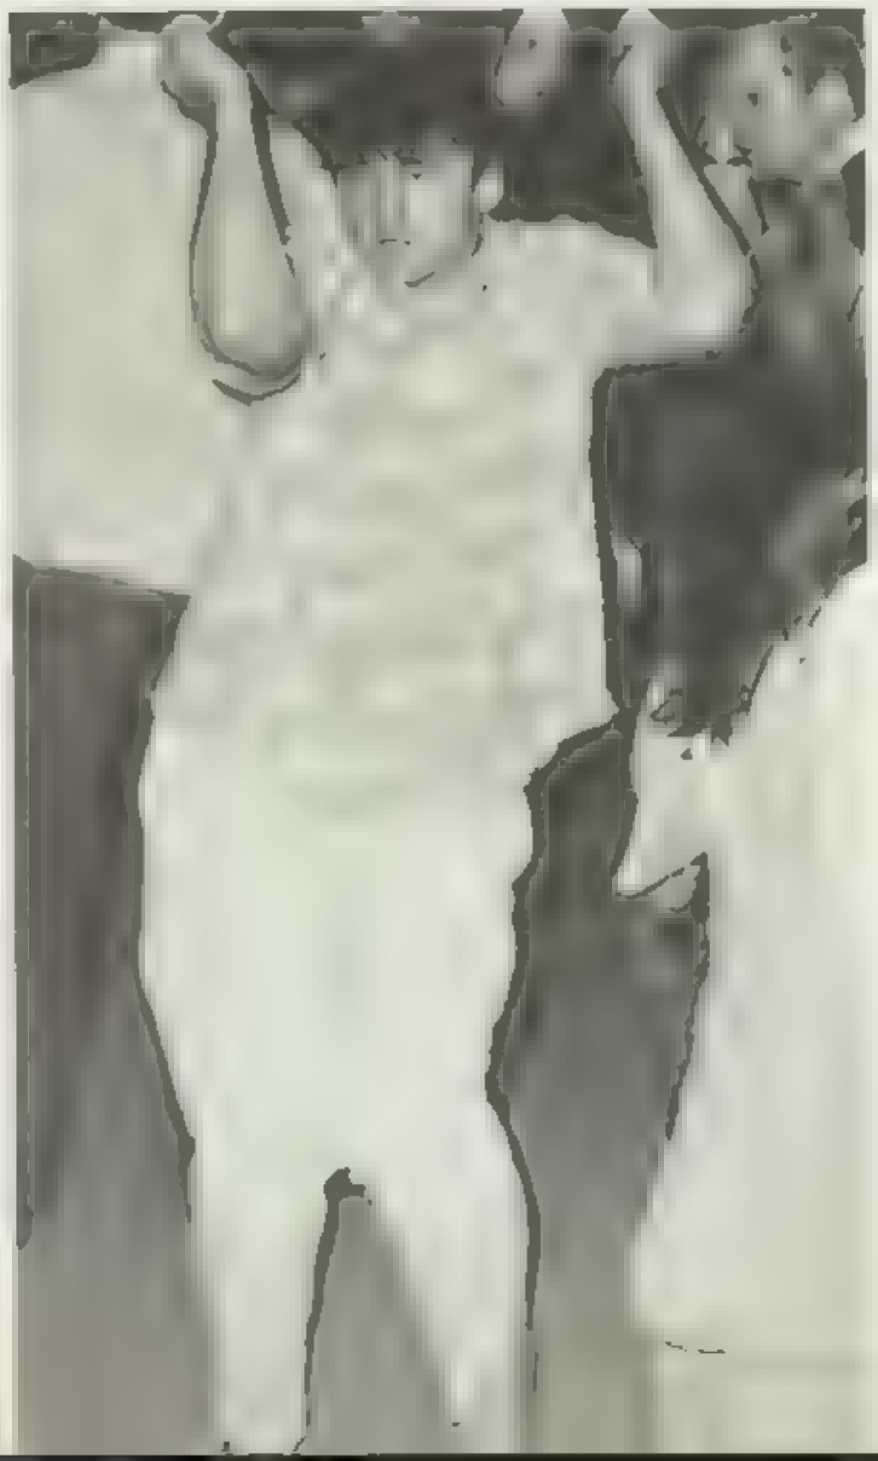
For Valentine's Day the Latin Club sponsored a Valentine post office which delivered both written and singing messages

CUPID REIGNS AT VALENTINE'S DANCE

"Cherish" was the theme of the Valentine's Dance on February 14th This idea was carried out both in the decorations and in the announcement and presentation of class favorites which is becoming a tradition at Western Hills Guests danced to the music of the "Soul Purpose" and many helped Junior Favorite, Phil Walker, celebrate his birthday

GIRLS ENTHUSIASTIC ABOUT BACKWARDS APPROACH

It was the girl's turn to do the asking when Se Agapome, the Western Hills Youth Center, sponsored a "Backwards Dance" at Western Hills. The girls enjoyed it because they did the inviting and the boys liked it because the girls had to pay the check for a change.



CEREMONY MAKES IT OFFICIAL

On March 5, 1970 Western Hills High School was formally dedicated. Superintendent of Schools Julius Truelson greeted the assembled group of parents, faculty, administrators and students, and School Board President Lloyd Turner delivered the dedication address. A reception followed the program. It was an important event in the young history of Western Hills

~~Barbara~~ Oops! Thought it was Barbara's
Anyhow, I know it's yours Pardon this
sounding idiotic, but Cassel is reading
to me It's been great this year, and
I'll bet this summer will be wild!
Hope you have
as much
fun as I
will.
Be Good!
